was shot during a fight. At St. Vin-cent's hospital it has not as yet been determined whether he was stabbed

The trouble arose during a celebra-tion held by John Napolitano in honor of his patron saint. There was plenty of wine. Words followed and then there was a sudden outbreak in which knives and ravolvers are both believed to have played a prominent part. The revolvers, however, disappeared as the police were taking possession of the premises in which

the row occurred.

Cradelli was found seated in a chair, his head held by his wife. Siddone was able to be about. Falegane, first accursed by the others of doing the cotting had disappeared. He was sought and arrested by Sergeant Jan.

Walker, Policeman Cassidy, McGovern, Dailwig, Rogers and Ryan.

Dr. H. R. Weldon, called to treat the injured men, took them to St. Vincent's, whose Cradelli died at 1:30 this morning. Medical Examiner Gartick viewed the body and he will perform an antopsy to ascertain the extent of the wounds.

MRS. PELL TO GET \$25,000 DAMAGES

New York, June 25-Mrs. S. Osgood Pell, of New York, was awarded to-day a verdict of \$25,000 for the death of her husband, who was killed in August, 1918, by a Long Island railroad train which ran down at Long Beach the automobile in which he and Mr. and Mrs. William S. Laimbeer were riding. The court also allowed Mrs. Pell an additional five per cent. of this amount and the costs of prosecuting her action which is estimated at several thousand dollars. Mrs. Pell

Two other actions are on the cal-endar to follow Mrs. Peil's suit. Both and shook hands with them and gave are brought by Mrs. Laimbeer, for-merly Miss Natalle Schenk, of New York and Newport, against the rail-road. They ask for \$250,000 for the death of her husband and the same amount for injuries which the plain-tiff sustained in the accident.

BALLARD TO QUIT' RUSSIANS DRAWN UP

Summary War News

Military activity continues to center in Galicia. The Russians are fighting hard in the territory there that remained to them after the Teutonic drive to Lemberg and beyond, either to save that terrieory to themselves or to give the retreating armies a chance to save that territory to themselves or to give the retreating armies a chance to retire in good

Desperate battles, according to the official reports, are continuing along the Dneister, where the Russians claim to have retained the advantage. In the Kosmierjine district, the

Grand Duke Nicholas' forces are on the offensive and claim to have carried a strongly fortified height by assault. Activity along the front where

Austrian and Italian armies are facing each other, is still chiefly in the nature of artillery engagements with occasional interludes of infantry action.

The latest French reports claim progress for that army only on the ridges to the east of Metzeral in the Vosges and this only to light degree. Nothing has been heard from

he Dardanelles,

Petrograd Says Defensive Positions of Her Army Are Such That Teutonic Allies Will Be Met With Terrific Attacks.

Norwegian Steamer is Torpedoed and Then Set Afire By Blockader-Portugal to Ask Damages For African Depredations.

London, June 25.—Something in ature of the fighting is enabling the military observers on both sides to take stock of the present situation and forecast future operations. Petrograd claims that the Russian

defensive positions are so secure that the Austro-Germans will not be able to withdraw many troops for use against the allies of Russia. The Russians assert, further, that their present line before Warsaw is as strong as it ever was and that their rmies on the river Dneister will fall

back only if sorely pressed. That England appreciates the need of adding to her fighting resources is significantly indicated by the pubication in the London Times of tables showing that the casualties of officers during the past month come within a few hundred of the total officer casualties during the entire South African war. The total in South Africa was 2,752 while the lists since May 26 show that 2,440 officers have been killed or wounded or reported

TORPEDOED AND SET AFIRE; CREW TAKEN OFF

London, June 28.—A dispatch from Copenhagen says the steamer Nova nas arrived there with the crew of the Norwegian steamer Truna, which last Wednesday was torpedoed by a German submarine and then set on fire. This occurred near the Shotland Is-

The Truma was built in 1896 and was of 1,507 fross tons. She was owned in Arendal, Norway.

PORTUGAL WILL SEEK REVENGE FOR DAMAGE SUFFERED IN AFRICA

Paris, June 25-A Havas despatch rom Lisbon says:

The ministerial declaration read in the chamber yesterday afternoon renews manifestation of sympathy for the allies, discloses the governmenta uments which throw light on the attitude assumed by Portugal in relation to the European war and in conclusion affirms the country's resolution to seek revenge for damage suffered in Africa.

"After the reading of the declaration Alexandre Braga, leader of the Democrats, premised the government the support of his party.

"Antonio Almeida, head of the rev-olutionists, declared he would fight the new government and would attempt to obtain justice for Piments Castro, the former premier. Senot Almeida's assertion aroused a great demonstration in the galleries reserv-ed for the public. The session of the chamber was suspended while he room, followed by his left
